CHAPTER 1

MEET DR. JONES

The doctor behind the care, and the promise she makes to every patient.

THE WHOLE PERSON PHILOSOPHY

Dr. Jones doesn't just treat symptoms—she treats people. Her approach considers your physical condition, lifestyle factors, emotional well-being, and personal goals to create truly comprehensive care plans.

LISTENING FIRST

Dr. Jones takes time to really listen to her patients. She understands that behind every symptom is a person with a story, concerns, and dreams for better health.

EDUCATION AND EMPOWERMENT

Through her popular YouTube series "Wellness Heads" and in-person consultations, Dr. Jones educates patients so they can make informed decisions about their health. Knowledge is power, and empowered patients achieve better outcomes.

ADDRESSING ROOT CAUSES

Rather than simply masking pain, Dr. Jones investigates and addresses the underlying causes of your symptoms, providing lasting relief rather than temporary fixes.

COMPASSIONATE CARE

Patients consistently describe Dr. Jones as caring, kind, and genuinely invested in their wellbeing. Her gregarious personality and excellent bedside manner create a comfortable, supportive environment.

BEYOND THE PRACTICE

WELLNESS HEADS YOUTUBE SERIES

Dr. Jones shares health and wellness expertise through her video series, helping #totalfuzers everywhere add life to their years through holistic care.

AUTHOR AND SPEAKER

As a nationally recognized author and speaker, Dr. Jones shares her expertise with audiences across the country.

COMMUNITY ADVOCATE

Committed to serving all people, especially those in her community who have faced barriers to quality healthcare access.

MENTOR AND LEADER

Through her leadership roles in professional organizations, Dr. Jones mentors the next generation of chiropractors and advocates for the profession.

WHAT PATIENTS SAY ABOUT DR. JONES

> *"Dr. Nissa is the most educated, experienced and caring Chiropractor I know. I think one would be satisfied and pleased with the superb services rendered."*
>
> EDNA W.

> *"Words can't express how awesome Dr. Jones and her staff is, very professional, kind and down to earth. I was in so much pain, but believe it or not this is definitely the route to go if you're in pain. I am feeling so much better, and I can't leave out how knowledgeable she is and how she explains everything that's needed for a speedy recovery."*
>
> PATIENT TESTIMONIAL

> *"I've been going to Dr. Nissa for a few months now, and I have been feeling much relief over time than before! Her adjustments really help relieve tension in the right parts. The massage services have been great as well."*
>
> PATIENT TESTIMONIAL

DR. JONES'S PROMISE TO YOU

When you become a patient at Total Fuze, Dr. Jones promises to:

- Listen to your concerns with genuine interest and compassion
- Thoroughly evaluate your condition using the latest diagnostic methods
- Explain your diagnosis and treatment options in clear, understandable terms
- Create a personalized treatment plan designed specifically for you
- Utilize the most advanced, effective techniques available
- Support you throughout your healing journey
- Celebrate your progress and adjust your care as needed
- Treat you with respect, dignity, and kindness
- Be your partner in achieving optimal health

CHAPTER 2

WHAT MAKES TOTAL FUZE SPECIAL

Fifteen reasons patients have trusted us since 2002.

Choosing a healthcare provider is an important decision. Here's why thousands of patients have chosen Total Fuze Spine and Pain Center as their trusted partner in health:

1 OVER TWO DECADES OF EXCELLENCE

Since 2002, Total Fuze has been serving the Macon community with unwavering commitment to quality care. Our longevity speaks to our reputation, results, and the trust we've earned in our community.

2 AWARD-WINNING CARE

Our consistent recognition as "Best of the Best" chiropractor and facility in Macon (2017-2021) and multiple Viewer's Choice Awards aren't just plaques on our wall—they're proof that we deliver exceptional results and experiences.

3 ADVANCED TECHNOLOGY AND TECHNIQUES

We invest in the latest advances in chiropractic care:

ACCUSPINA SPINAL DECOMPRESSION

This state-of-the-art, computerized decompression system provides gentle, effective relief for disc-related conditions with up to 90% success rates for qualifying patients.

SHOCKWAVE THERAPY

Advanced acoustic wave technology that accelerates healing for chronic pain conditions and soft tissue injuries.

COMPREHENSIVE NEUROPATHY PROTOCOLS

Multi-faceted treatment approach that addresses the root causes of nerve damage and pain.

MODERN DIAGNOSTIC TOOLS

Advanced assessment technology to accurately diagnose your condition and track your progress.

EVIDENCE-BASED TECHNIQUES

We utilize proven chiropractic methods backed by scientific research, from traditional manual adjustments to gentle instrument-assisted techniques.

4 COMPREHENSIVE SERVICES UNDER ONE ROOF

Why go to multiple providers when you can receive complete care at Total Fuze? We offer:

- Chiropractic adjustments and spinal manipulation
- Spinal decompression therapy
- Neuropathy treatment programs
- Shockwave therapy
- Rehabilitation and therapeutic exercise
- Pain management therapies
- Sports injury treatment
- Personal injury care
- Knee pain services
- Massage therapy
- Wellness and prevention programs

5 PERSONALIZED, PATIENT-CENTERED CARE

NO COOKIE-CUTTER APPROACHES

Every patient receives a customized treatment plan based on their unique condition, goals, and preferences.

TIME AND ATTENTION

We don't rush. Dr. Jones takes the time necessary to understand you and provide thorough care.

FLEXIBLE TREATMENT OPTIONS

We work with you to create a treatment schedule that fits your lifestyle and budget.

YOUR GOALS DRIVE YOUR CARE

Whether you want to eliminate pain, return to sports, improve your golf game, or simply feel better, your goals shape your treatment plan.

6 EXCEPTIONAL PATIENT EXPERIENCE

From the moment you contact our office until you complete your care, you'll experience:

WARM, WELCOMING ENVIRONMENT

Our office feels inviting and comfortable, not cold and clinical.

FRIENDLY, PROFESSIONAL STAFF

Our team is known for exceptional customer service and genuine care for every patient.

CLEAR COMMUNICATION

We explain everything in understandable terms, answer all your questions, and ensure you're comfortable with your care.

CONVENIENT SCHEDULING

We offer flexible appointment times to accommodate your schedule.

EFFICIENT VISITS

We respect your time while providing thorough care.

7 PROVEN TRACK RECORD OF RESULTS

HIGH SUCCESS RATES

Our treatment protocols, especially spinal decompression, have helped thousands of patients avoid surgery and find lasting relief.

PATIENT TESTIMONIALS

Our patients' success stories speak louder than any marketing material. Real people achieving real results.

LONG-TERM SOLUTIONS

We don't just provide temporary relief—we correct underlying problems for lasting results.

PREVENTION FOCUS

We help patients prevent future problems through education, exercise, and wellness care.

8 COMMITMENT TO AVOIDING SURGERY

Surgery should be a last resort, not a first option. Our advanced non-surgical treatments have helped countless patients avoid unnecessary procedures, recover faster, and achieve better long-term outcomes without the risks and costs of surgery.

9 INSURANCE AND PAYMENT FLEXIBILITY

MOST INSURANCE ACCEPTED

We work with the majority of insurance plans and handle the paperwork for you.

TRANSPARENT PRICING

No surprise bills. We discuss costs upfront so you know what to expect.

AFFORDABLE PAYMENT PLANS

We offer flexible payment options to make quality care accessible.

FINANCING AVAILABLE

Special financing helps you get the care you need without financial stress.

10 COMMUNITY-FOCUSED PRACTICE

LOCAL OWNERSHIP

As a locally-owned practice, we're invested in our community's health and wellbeing.

ACCESSIBLE CARE

We're committed to providing quality care to all members of our community, regardless of background.

EDUCATION AND OUTREACH

Through Dr. Jones's Wellness Heads series and community involvement, we educate our neighbors about natural health options.

BREAKING BARRIERS

As the first African American chiropractor in Macon, Dr. Jones has opened doors and created pathways for others.

11 "WHOLE PERSON" APPROACH

We don't just treat your spine—we address:

- Physical alignment and function
- Nutritional factors affecting healing
- Lifestyle modifications for better health
- Stress management and emotional wellness
- Ergonomic and postural education
- Exercise and movement optimization
- Prevention and long-term wellness

12 LEADERSHIP AND EXPERTISE

Dr. Jones's leadership in professional organizations, advanced certifications, and decades of experience mean you're receiving care from one of the most qualified chiropractors in Georgia.

13 EDUCATIONAL FOCUS

We believe informed patients make better decisions and achieve better results. That's why we:

- Take time to explain your condition thoroughly
- Provide written home care instructions
- Share educational resources
- Answer all your questions completely
- Create an environment where you feel comfortable asking anything

14 FAMILY ATMOSPHERE

At Total Fuze, patients become family. We call ourselves #totalfuzers, and there's a genuine sense of community among our patients. You're not just a number—you're part of our family, and we celebrate your victories as our own.

15 COMMITMENT TO EXCELLENCE

We never stop learning or improving. Dr. Jones and her team:

- Pursue continuing education regularly
- Stay current with the latest research
- Invest in new technologies and techniques
- Seek feedback to improve our services
- Maintain the highest professional standards

CHAPTER 3

PATIENT SUCCESS STORIES

Real #totalfuzers, in their own words.

BRANDON E.

BACK PAIN RELIEF

> *"My experience has been great relief on my back. The rehabilitation process of Dr. Nissa's service has made great progress for me to continue my everyday routines."*

Brandon came to us with chronic back pain that was limiting his daily activities. Through a personalized treatment plan including adjustments and rehabilitation, he's now back to his normal routine without pain.

O'BRIAN R.

FIRST-TIME PATIENT

> *"Thanks to my girl Amber Jones for telling me about this place! My experience was great and they have exceptional customer service. I will be back next month for more great services and I cannot wait."*

Even first-time patients immediately notice the difference at Total Fuze. The combination of quality care and outstanding customer service creates an experience patients are eager to continue.

TIA

OVERCOMING FEAR, FINDING RELIEF

> *"Words can't express how awesome Dr. Jones and her staff is, very professional, kind and down to earth. I have to admit I was a little scared at first being that I was in so much pain, but believe it or not this is definitely the route to go if you're in pain. I am feeling so much better and once I finish my sessions I will for sure be going back every once in a while and so will my fam, and I can't leave out, how knowledgeable she is and how she explains everything that's needed for a speedy recovery. Thank you Dr. Jones for your loyalty, and integrity as a Doctor."*

Many patients are nervous about their first chiropractic visit, especially when in severe pain. Dr. Jones's compassionate approach and clear explanations help patients feel comfortable, and the results speak for themselves.

LONG-TERM RELIEF PATIENT

> *"I've been going to Dr. Nissa for a few months now, and I have been feeling much relief over time than before! Her adjustments really help relieve tension in the right parts. The massage services have been great as well."*

Chronic conditions often require consistent care over time. This patient's progressive improvement demonstrates the effectiveness of following through with a comprehensive treatment plan.

EDNA W.

HIGHEST RECOMMENDATION

> *"Dr. Nissa is the most educated, experienced and caring Chiropractor I know. I think one would be satisfied and pleased with the superb services rendered."*

Long-time patients like Edna recognize the unique combination of expertise, experience, and genuine care that Dr. Jones provides.

PERSONAL TREATMENT PLAN SUCCESS

> *"I was having pressure in my muscles and Dr. Jones helped me relieve it by creating a personal treatment plan for me. And the overall experience was very soothing."*

Every patient receives individualized care designed specifically for their unique needs—never a one-size-fits-all approach.

SCIATIC NERVE RELIEF

> *"If you have sciatic nerve pain or spinal injuries, before you have surgery, please make an appointment to see Dr. Nissa. She and her staff will get you back on your feet and feeling great. No need for surgery."*

Many of our spinal decompression patients have been told they need surgery, but find lasting relief through our non-surgical treatments instead.

CHAPTER 4

YOUR JOURNEY TO WELLNESS

What to expect, your role in healing, and how to get started.

TAKING THE FIRST STEP

Making the decision to seek chiropractic care is an important step toward better health. Whether you're dealing with acute pain from a recent injury or chronic conditions you've suffered with for years, Total Fuze Spine and Pain Center is here to help.

WHAT YOU CAN EXPECT

RELIEF

Most patients experience significant pain relief within the first few weeks of care.

IMPROVED FUNCTION

As your body heals, you'll notice improved mobility, strength, and ability to perform daily activities.

BETTER QUALITY OF LIFE

Freedom from pain means freedom to fully engage in life—work, family, recreation, and all the things you love.

LONG-TERM WELLNESS

Beyond just treating symptoms, we help you build a foundation for lasting health and vitality.

PARTNERSHIP

You'll have a dedicated healthcare partner committed to your success every step of the way.

YOUR ROLE IN HEALING

While Dr. Jones and her team will provide expert care, your active participation is essential:

FOLLOW YOUR TREATMENT PLAN

Consistency is key. Attend your scheduled appointments and follow through with home care instructions.

DO YOUR EXERCISES

The exercises we prescribe are designed to support and maintain your improvements.

COMMUNICATE

Let us know how you're feeling, what's working, and what concerns you have.

MAKE HEALTHY CHOICES

Support your healing with good nutrition, adequate sleep, stress management, and appropriate activity levels.

BE PATIENT

Healing takes time, especially for chronic conditions. Trust the process and stay committed.

COMMON TREATMENT TIMELINES

ACUTE INJURIES (RECENT)

Most patients see significant improvement within 2-4 weeks with intensive initial care.

CHRONIC CONDITIONS (LONG-STANDING)

Conditions you've had for months or years typically require 8-12 weeks of corrective care for lasting results.

SEVERE DISC PROBLEMS

Spinal decompression protocols usually run 4-6 weeks with most patients experiencing dramatic improvement.

NEUROPATHY

Nerve healing takes time, but most patients notice improvements within 4-8 weeks of starting treatment.

Remember: Every patient is unique. Dr. Jones will give you a personalized timeline based on your specific condition.

THE TOTAL FUZE DIFFERENCE

When you choose Total Fuze, you're choosing:

- A chiropractor who truly cares about you as a person
- Advanced technology and proven techniques
- A team dedicated to your success
- A practice with over 20 years of serving our community
- A partner in your lifelong journey to optimal health

ADDITIONAL RESOURCES

Checklists and questions for your first visit and the weeks after.

PREPARING FOR YOUR VISIT

WHAT TO BRING:

- Photo ID
- Insurance card(s)
- List of current medications and supplements
- Any previous medical records or imaging related to your condition
- List of questions or concerns

WHAT TO WEAR:

- Comfortable, loose-fitting clothing
- Avoid clothing with metal (for X-rays if needed)
- You may be provided a gown for your examination

WHAT TO KNOW:

- Arrive 15 minutes early for paperwork
- Plan for 60-90 minutes for your first visit
- Bring a list of previous treatments you've tried
- Be prepared to discuss your health history

BETWEEN VISITS

HOME CARE TIPS:

- Follow all home care instructions provided
- Perform your prescribed exercises consistently
- Apply ice or heat as directed
- Maintain good posture
- Stay hydrated
- Get adequate sleep
- Avoid activities that aggravate your condition

QUESTIONS TO ASK DR. JONES

Feel free to ask any questions during your visit. Here are some you might consider:

- What is causing my pain?
- What is my diagnosis?
- What are my treatment options?
- How long will treatment take?

- What results can I expect?
- What can I do at home to support my healing?
- Are there lifestyle changes I should make?
- What's my prognosis long-term?
- How can I prevent this problem from returning?
